Text

With effect from 5 October 1998, all children who are not already included on a parent's valid ten-year passport will have to hold their own passport if they are to travel abroad. Children over 16 are required to hold their own passports. Children already included on an existing passport may continue to travel with the passport holder until the child reaches 16, the passport expires or is submitted for amendment. Children cannot be re-added to passports submitted for amendment. Providing the stay is no longer than 90 days, UK citizens are allowed to enter the USA under the visa waiver scheme. Entry may however be denied to travellers who have a criminal record or who have been previously denied entry. In such cases, visa applications should be made in advance. Please note that in some countries the export expiry date must extend to a minimum of six months beyond the date of return travel. Travellers within the European Union do not have to hold a passport and can enter member states with a valid identity card. Passengers should check in at least one hour before departure. On board you are authorized to take one piece of hand luggage but it must not measure more than 55 x 40 x 20 cm.
