# ADVANTAGES AND DISADVANTAGES OF TOURISM

Students think about and identify the advantages and disadvantages of tourism

# LISTENING ACTIVITY

## The independent traveller

You are going to listen to a talk given by someone who has travelled extensively and who is concerned about the impact of tourism. Before you listen, discuss these questions.

- 1 What makes a 'good tourist'?
- 2 What do you understand by the term, a 'green tourist'?
- 3 What things would a 'good tourist' and a 'green tourist' be careful about, (a) when planning a trip abroad, and (b) when on holiday?

---

## READING ACTIVITY

### THE IMPACT OF TOURISM IN THE DEVELOPING WORLD

Read the three articles on the impact of tourism in the developing world and think about what point each article is trying to make.

# READING EXERCISE

Both the article and the poem present a very negative view of the impact of tourism. In groups, imagine you are responsible for the development of *tourism in both of these regions*.

- 1 How can you put across a more positive message about the two situations?
- 2 What changes and safeguards could you introduce in order to ensure that the impact of tourism was not so negative in those areas?
